Richard A. Muller

Energy for Future Presidents
The Science Behind the Headlines

The author of *Physics for Future Presidents* returns to educate readers on the most crucial conundrum facing the nation: energy.

The near-meltdown of Fukushima, the upheavals in the Middle East, the BP oil rig explosion, and the looming reality of global warming have reminded the president and all U.S. citizens that nothing has more impact on our lives than the supply of and demand for energy. Its procurement dominates our economy and foreign policy more than any other factor. But the energy question is more confusing, contentious, and complicated than ever before. We need to know if nuclear power will ever really be safe. We need to know if solar and wind power will ever really be viable. And we desperately need to know if the natural gas deposits in Pennsylvania are a windfall of historic proportions or a false hope that will create more problems than solutions. Richard A. Muller provides all the answers in this must-listen guide to our energy priorities now and in the coming years.

President of Judicial Watch

Tom Fitton

The Corruption Chronicles
Obama’s Big Secrecy, Big Corruption, and Big Government

Tom Fitton exposes Obama administration secrecy, secrets, and corruption by providing behind-the-scenes details of what America’s leading government watchdog has uncovered in its efforts to pry loose secret documents from a stonewalling Obama administration.

Judicial Watch, America’s largest nonpartisan government watchdog, has investigated the Clinton, Bush, and Obama administrations. Judicial Watch is the group that helped impeach Bill Clinton and took the Bush White House secrecy all the way up to the Supreme Court. Since the beginning of the Obama administration, this grassroots group has filed over 700 open records demands and dozens of lawsuits, including a successful fight over the secret Obama White House visitor logs. In this book, Fitton reveals what Judicial Watch has uncovered in its battles on high-profile issues, such as the bailouts, Obamacare, terrorism, the Black Panther scandal, czars, the ACORN network, illegal immigration and stealth amnesty, the Obama White House’s actions against FOX News Channel, and Obama’s radical Chicago connections.

The book provides highlights of Judicial Watch’s historic role in pursuing corruption and the truth during the Clinton and Bush administrations. The Corruption Chronicles comprehensively highlights how the Obama administration, which promised to be the most transparent administration in history, became the most secretive in a generation, and it exposes the inside facts that the Obama administration has desperately fought to keep from the American people.

PRAISE FOR THE CORRUPTION CHRONICLES

“Not one non-profit in America has done as much to advance genuine transparency and accountability in government as has Judicial Watch with its dogged use of the Freedom of Information Act and the federal courts.”

—Mark Tapscott, executive editor of The Washington Examiner

“No one digs deeper and more effectively into the bowels of government than Judicial Watch. Read what they report today. It will be news tomorrow.”

—Peter F. Schweizer, author of Throw Them All Out
Paul Kengor, Ph.D.

The Communist
Frank Marshall Davis: The Untold Story of Barack Obama’s Mentor

The Communist is an investigative and uncompromising look at Frank Marshall Davis, the radical mentor who founded President Obama’s philosophy, by the nationally bestselling author of Dupes.

In his memoir, Barack Obama omits the full name of his mentor, simply calling him “Frank.” Now, the truth is out: Never has a figure as deeply troubling and controversial as Frank Marshall Davis had such an impact on the development of an American president.

Although other radical influences on Obama—from Jeremiah Wright to Bill Ayers—have been scrutinized, the public knows little about Davis, a card-carrying member of the Communist Party USA, cited by the Associated Press as an “important influence” on Obama, one whom he “looked to” not merely for “advice on living” but as a “father” figure.

Aided by access to explosive declassified FBI files, Soviet archives, and Davis’s original newspaper columns, Paul Kengor explores how Obama sought out Davis and how Davis found in Obama an impressionable young man, one susceptible to Davis’s worldview that opposed American policy and traditional values while praising communist regimes. Kengor sees remnants of this worldview in Obama’s early life and even, ultimately, his presidency.

And yet, The Communist is not unsympathetic to Davis, revealing him as something of a victim, an African American who suffered devastating racial persecution in the Jim Crow era, steering this justly angered young man on a misguided political track. That Davis supported violent and heartless communist regimes over his own country is impossible to defend. That he was a source of inspiration to President Barack Obama is impossible to ignore.

Is Obama working to fulfill the dreams of Frank Marshall Davis? That question has been impossible to answer, since Davis’s writings and relationship with Obama have either been deliberately obscured or dismissed as irrelevant. With Kengor’s The Communist, Americans can finally weigh the evidence and decide for themselves.

The Graves Are Walking
The Great Famine and the Saga of the Irish People

A compelling new look at one of the worst disasters to strike humankind—the Great Irish Potato Famine—conveyed as lyrical narrative history from the acclaimed author of The Great Mortality.

It started in 1845 and lasted six years. Before it was over, more than one million men, women, and children starved to death and another million fled the country. Measured in terms of mortality, the Great Irish Potato Famine was one of the worst disasters in the nineteenth century—it claimed twice as many lives as the American Civil War. A perfect storm of bacterial infection, political greed, and religious intolerance sparked this catastrophe. But even more extraordinary than its scope were its political underpinnings, and The Graves Are Walking provides fresh material and analysis on the role that nineteenth-century evangelical Protestantism played in shaping British policies and on Britain’s attempt to use the famine to reshape Irish society and character.

Perhaps most important, this is ultimately a story of triumph over perceived destiny: for fifty million Americans of Irish heritage, the saga of a broken people fleeing crushing starvation and remaking themselves in a new land is an inspiring story of exoneration.

Based on extensive research and written with novelistic flair, The Graves Are Walking draws a portrait that is both intimate and panoramic, that captures the drama of individual lives caught up in an unimaginable tragedy, while imparting a new understanding of the famine’s causes and consequences.

Sara Connell

**Bringing in Finn**

An Extraordinary Surrogacy Story

A remarkable, inspiring story of one woman’s hard-fought journey to motherhood.

Sara Casey Connell and her mother hadn’t been particularly close for a long time. But when Connell lost a third pregnancy after years of fertility treatments and one late-term stillbirth of twins, her mother offered to be a surrogate for her child—and Connell and her husband accepted. Two years later, Finnean Lee Connell—a healthy baby boy—was born.

*Bringing in Finn* is the remarkable story of one woman’s hard-fought, and often painful, journey to motherhood. In this achingly honest memoir, Connell recounts the tragedy and heartbreak of losing twin sons twenty-seven weeks into pregnancy; the process of opening her heart and mind to the idea of her 61-year-old mother carrying her child for her; and the profound bond that blossomed between the two of them as a result of their unique experience together. Moving, inspiring, and ultimately triumphant, *Bringing in Finn* is an extraordinary story of despair and hope, forgiveness and redemption, and the discovery that when it comes to unconditional love, there are no limits to what can be achieved.

Mike Lofgren

The Party Is Over
How Republicans Went Crazy, Democrats Became Useless, and the Middle Class Got Shafted

From veteran politician Mike Lofgren, a funny and impassioned expose of what passes for business as usual in Washington today.

There was a time, not so very long ago, when perfectly rational people ran the Republican Party. So how did the party of Lincoln become the party of lunatics? That is what this book aims to answer. Fear not, the Dems come in for their share of tough talk—they are zombies, a party of the living dead.

Mike Lofgren came to Washington in the early eighties—those halcyon, post–Nixonian glory days—for what he imagined would be a short stint on Capitol Hill. He has witnessed quite a few low points in his twenty-eight years on the Hill—but none quite so pitiful as the antics of the current crop of legislators whom we appear to have elected.

Based on the explosive article Lofgren wrote when he resigned in disgust after the debt ceiling crisis, The Party Is Over is a funny and impassioned expose of everything that is wrong with Washington. Obama and his tired cohorts are no angels but they have nothing on the Republicans, whose wily strategists are bankrupting the country one craven vote at a time. Be prepared for some fireworks.

January First
A Child’s Descent into Madness and Her Father’s Struggle to Save Her

A brilliant and harrowingly honest memoir, January First is the extraordinary story of a father’s fight to save his child from an extremely severe case of mental illness in the face of overwhelming adversity.

Michael Schofield’s daughter January is at the mercy of her imaginary friends, except they aren’t the imaginary friends that most young children have; they are hallucinations. And January is caught in the conflict between our world and their world, a place she calls Calalini. Some of these hallucinations, like “24 Hours,” are friendly and some, like “400 the Cat” and “Wednesday the Rat,” bite and scratch her until she does what they want. They often tell her to scream at strangers, jump out of buildings, and attack her baby brother.

At six years old, January Schofield, “Janni,” to her family, was diagnosed with schizophrenia, one of the worst mental illnesses known to man. What’s more, schizophrenia is 20 to 30 times more severe in children than in adults and in January’s case, doctors say, she is hallucinating 95 percent of the time that she is awake. Potent psychiatric drugs that would level most adults barely faze her.

January First captures Michael and his family’s remarkable story in a narrative that forges new territory within books about mental illness. Their battle has included a two-year search for answers, countless medications and hospitalizations, allegations of abuse, despair that almost broke their family apart and, finally, victories against the illness and a new faith that they can create a life for Janni filled with moments of happiness.

PRAISE FOR JANUARY FIRST

“An unflinching portrait of the scourge of mental illness.”
—Kirkus

“The anxiety, frustration, and loss Schofield and his wife experience are palpable, so much so that the author’s tone is, at times, grating. Still, their heart-wrenching story . . . is bound to move parents and caregivers of children with similar psychiatric disorders.” —Library Journal
Charlotte Kasl

If the Buddha Had Kids

Raising Children to Create a More Peaceful World

Book Four in the Buddha Guides Series

From the terrible twos to the teenage years, practicing therapist and bestselling author Charlotte Kasl offers Zen wisdom for every parent.

The wise and insightful “If the Buddha” books have won Charlotte Kasl thousands of devoted fans. In her latest work, she turns her attention to parenthood, a stage of life that leaves most of us searching for answers. *If the Buddha Had Kids* applies Kasl’s signature blend of spiritual guidelines, exercises, and practical advice to help parents raise peacemakers in our increasingly turbulent times, emphasizing that finding peace within a family is the first step toward creating a peaceful world. In an age where most kids clock more time with electronic devices than their parents and dinner is often fast food on the way to a soccer game, this gentle volume will appeal to the legions of folks eager for an enlightened alternative to mainstream parenting books.

The Debt Bomb
A Bold Plan to Stop Washington from Bankrupting America

Senator Tom Coburn explains why Washington resists change so fiercely and offers controversial yet commonsense solutions to secure the nation's future.

At a time when millions of Americans are speculating about what is broken in Washington, The Debt Bomb is a candid, thoughtful, nonpartisan exposé of the real problems inside our government.

Throughout a distinguished career as a business owner, physician, and U.S. senator, Tom Coburn has watched his beloved republic careen down a suicidal path. Today, the nation stands on the precipice of financial ruin, a disaster far more dangerous to our safety than any terrorist threats we face. Yet Coburn believes there is still hope—if enough Americans are willing to shake the corridors of Washington and demand action.

With an insider’s keen eye and a caregiver’s deft touch, Coburn diagnoses the mess that career politicians have made of things while misusing their sacred charge to govern. Coburn’s incisive analysis:

— Reveals the root causes of America’s escalating financial crisis
— Exposes Washington’s destructive appetite for wasteful spending, power grabs, backroom deals, and quick nonfixes
— Rises above partisanship to implicate elected officials of all stripes in steering the nation off course
— Lays out a commonsense guide to restoring order
— Concludes with a clarion call and sound advice for Americans dedicating themselves to defusing the debt bomb

Above all, Coburn believes the United States can continue as a beacon of opportunity for future generations—but how we act today will determine whether we deliver the nation to our children and grandchildren fully alive, on life support, or without a pulse.

Claire Tomalin

Charles Dickens

A Life

The tumultuous life of England’s greatest novelist, beautifully rendered by unparalleled literary biographer Claire Tomalin.

Like a hero from his novels, Dickens trod a hard path to greatness. Born into a modest middle-class family, his young life was overturned when his profligate father was sent to debtors’ prison and Dickens was forced into harsh and humiliating factory work. Yet through these early setbacks he developed his remarkable eye for all that was absurd, tragic, and redemptive in London life. He set out to succeed, and with extraordinary speed and energy made himself into the greatest English novelist of the century.

Seen as the public champion of household harmony, Dickens tore his own life apart, betraying, deceiving, and breaking with friends and family while he pursued an obsessive love affair.

Charles Dickens: A Life gives full measure to Dickens’s heroic stature while observing his failings in both respects with an unblinking eye. Renowned literary biographer Claire Tomalin crafts a story worthy of Dickens’s own pen, a comedy that turns to tragedy as the very qualities that made him great—his indomitable energy, boldness, imagination, and showmanship—finally destroyed him. The man who emerges is one of extraordinary contradictions, whose vices and virtues were intertwined as surely as his life and his art.

MARKETING

• Award winning author

PRAISE FOR CHARLES DICKENS

“Tomalin provides her usual rich, penetrating portrait; one can say of her book what she says of Dickens’s picture of 19th-century England: it’s crackling, full of truth and life, with his laughter, horror and indignation.”

—Publishers Weekly ★ Review

“Superbly organized, comprehensive and engrossing from start to finish—a strong contender for biography of the year.”—Kirkus ★ Review

Robert Zorn

Cemetery John

The Undiscovered Mastermind Behind the Lindbergh Kidnapping

Robert Zorn's meticulous and authoritative account of the Lindbergh kidnapping reveals, for the first time, the true story behind the crime.

For seventy-five years, the kidnapping and murder of Charles Lindbergh's infant son has gone unsolved. Evidence, opinion, and logic have discredited the notion that Bruno Richard Hauptmann—electrocuted in 1936—acted alone. In this meticulous and authoritative account of the crime, the trial, and the times of the Lindbergh kidnapping, Robert Zorn clears away decades of ungrounded speculation surrounding the case. Inspired by his father's relationship with the actual accomplices—including the mastermind—he presents the clearest ever picture of a criminal partnership, which would shake every class and culture of American society. Using personal possessions and documents, never-before-seen photographs, new forensic evidence, and extensive research, Robert Zorn has written a shocking and captivating account of the crime and the original “Trial of the Century.”

From the ecstatic riots that followed the Spirit of St. Louis on either side of the Atlantic, to the tragic night that would shake America's sense of security, to the horror of the New Jersey morgue where Lindbergh insisted on verifying the identity of his son, Zorn's skillful treatment meets this larger-than-life story and gives it definitive shape—revealing the true story behind the crime for the first time.

M. Zuhdi Jasser, M.D.

A Battle for the Soul of Islam

An American Muslim Patriot’s Fight to Save His Faith

A nationally recognized expert on Muslim radicalization provides a definitive analysis of the difference between Islam and Islamism, and how violence and extremism run counter to Islam’s true teachings.

Among the unsettling social shifts in the wake of 9/11 was the global attention paid to Islam. Here in the United States, we became divided, often sadly along partisan lines, between those who believed every Muslim was a potential threat and those who believed no Muslim could do wrong.

For conservative Wisconsin native and former U.S. Navy lieutenant commander Dr. M. Zuhdi Jasser, these radical times meant facing a new reality as a devout Muslim and a patriot—a certain betrayal within his faith, and a need to answer a question that crossed the minds of even the most sensitive and politically correct: “Can a good Muslim be a good American as well?”

In A Battle for the Soul of Islam, Jasser embraces both his faith and his country while asking hard questions:

—Are American Muslim children learning entitlement as victims, or are they being taught individual responsibility and critical thinking?

—Are Muslims publicly critical of the Islamist movements of the Middle East, or do they remain silent on aspects of religious doctrine that conflict with modernity and universal equality?

—Is the American press downplaying the seditious threat of homegrown Islamist radicalism and the influence of Islamists’ propaganda arm on our governmental policies?

—Is our culture of political correctness a major obstacle toward long-overdue Muslim reform against Islamism?

All these years after 9/11, it’s time for us to understand the true threat of Islamism. It is a Muslim problem that needs a Muslim solution, and A Battle for the Soul of Islam builds a solid, balanced, and imperative must-listen foundation for the fight.

MARKETING

• Author has been featured on CNN, CBS, Fox News Channel, MSNBC, and BBC

PRAISE FOR A BATTLE FOR THE SOUL OF ISLAM

“A candid, patriotic pushback against Muslim stereotyping . . . a strident call to energize Muslim Americans to promote notions of pluralism, toleration and equal rights for women.” —Kirkus
Otis K. Rice

The Hatfields and The McCoys

Otis K. Rice, coauthor of *West Virginia: A History*, sheds new light on the most famous vendetta of the southern Appalachians.

The Hatfield-McCoy feud has long been the most famous vendetta of the southern Appalachians. Over the years it has become encrusted with myth and error. Scores of writers have produced accounts of it, but few have made any real effort to separate fact from fiction. Novelists, motion picture producers, television script writers, and others have sensationalized events that needed no embellishment.

Using court records, public documents, official correspondence, and other documentary evidence, Otis K. Rice presents an account that frees, as much as possible, fact from fiction, event from legend. He weighs the evidence carefully, avoiding the partisanship and the attitude of condescension and condemnation that have characterized many of the writings concerning the feud.

He sets the feud in the social, political, economic, and cultural context of eastern Kentucky and southwestern West Virginia in the late nineteenth and early twentieth centuries. By examining the legacy of the Civil War, the weakness of institutions such as the church and education system, the exaggerated importance of family, the impotence of the law, and the isolation of the mountain folk, Rice gives new meaning to the origins and progress of the feud. These conditions help explain why the Hatfield and McCoy families, which have produced so many fine citizens, could engage in such a bitter and prolonged vendetta.

Smart but Scattered
The Revolutionary “Executive Skills” Approach to Helping Kids Reach Their Potential

Peg Dawson, Ed.D., and Richard Guare, Ph.D., present an innovative program to strengthen kids’ abilities to plan ahead, follow through, and get things done.

There’s nothing more frustrating than watching your bright, talented son or daughter struggle with everyday tasks like finishing homework, putting away toys, or following instructions at school. Your “smart but scattered” child might also have trouble coping with disappointment or managing anger. Drs. Peg Dawson and Richard Guare have great news: there’s a lot you can do to help. The latest research in child development shows that many kids who have the brain and heart to succeed lack or lag behind in crucial “executive skills”—the fundamental habits of mind required for getting organized, staying focused, and controlling impulses and emotions. Learn easy-to-follow steps to identify your child’s strengths and weaknesses, use activities and techniques proven to boost specific skills, and problem-solve daily routines. Small changes can add up to big improvements—this empowering book shows how.

What the Nanny Saw

A Novel

From the author of *Friends, Lovers and Other Indiscretions* comes a keenly observed, often comical chronicle of the urban wealthy elite, of parents who are often too busy to notice what is going on under their own noses, of children left to their own devices, and of a young nanny thrown into a role she doesn’t know how to play.

It’s the summer of 2008. For the past decade, Nick and Bryony Skinner and their four children have ridden high on the economic boom, but their luck is about to run out. Suddenly, the privileged family finds itself at the center of a financial scandal: their Central London house is besieged by the press, Nick disappears, and Bryony and the children become virtual prisoners in their own home. And Ali, their trusted nanny, watches it all. As the babysitter, she brings a unique insider-outsider perspective to the family, seeing far more than even the family itself is capable of. But when a reporter with a personal connection to the story comes asking her for the inside scoop, will Ali remain loyal to the family who never saw her as anything other than the help? Or will she tell her side?

Written with Fiona Neill’s delicious humor and addictive style, *What the Nanny Saw* is a keenly observed, often comical chronicle of the urban wealthy elite, of parents who are often too busy to notice what is going on under their own noses, of children left to their own devices, and of a young nanny thrown into a role she doesn’t know how to play. It is a morality tale of our time, a tale of betrayal, the corrosive influence of too much money, and why good people sometimes do bad things.

**PRAISE FOR WHAT THE NANNY SAW**

“After an uberwealthy London family gets embroiled in a financial scandal following the 2008 crash, the trusted babysitter is the one holding all the secrets. Neill’s engrossing and funny novel lives up to the titillating title.”

—*Entertainment Weekly*

“[A] fast-paced, dishy morality tale.”  —*Publishers Weekly*
Laurent Binet

HHhH

A Novel

Laurent Binet’s captivating debut novel follows the lives of Jozef Gabcik and Jan Kubiš, the men responsible for the death of Reinhard Heydrich, one of the most feared men in Nazi Germany.

HHhH: “Himmlers Hirn heisst Heydrich,” or “Himmler’s brain is called Heydrich.” The most dangerous man in Hitler’s cabinet, Reinhard Heydrich was known as the “Butcher of Prague.” He was feared by all and loathed by most. With his cold Aryan features and implacable cruelty, Heydrich seemed indestructible—until two men, a Slovak and a Czech recruited by the British secret service—killed him in broad daylight on a bustling street in Prague, and thus changed the course of History.

Who were these men, arguably two of the most discreet heroes of the twentieth century? In Laurent Binet’s captivating debut novel, we follow Jozef Gabcik and Jan Kubiš from their dramatic escape of Nazi-occupied Czechoslovakia to England; from their recruitment to their harrowing parachute drop into a war zone, from their stealth attack on Heydrich’s car to their own brutal death in the basement of a Prague church.

A seemingly effortless blend of historical truth, personal memory, and Laurent Binet’s remarkable imagination, HHhH is a work at once thrilling and intellectually engrossing, a fast-paced novel of the Second World War that is also a profound meditation on the nature of writing and the debt we owe to history.

- Translated by Sam Taylor

PRAISE FOR HHHH

“This fluid translation by Taylor is a superb choice for lovers of historical literary works and even international thrillers. Most highly recommended.” —Library Journal ★ Review

“A perfect fusion of action and the avant-garde that deserves a place as a great WWII novel.” —Publishers Weekly ★ Review

“[Listeners] will recognize why this brilliant work won the Prix Goncourt du Premier Roman—and why an English translation was imperative!” —Booklist ★ Review

“The account of the assassination attempt and its nail-biting aftermath is brilliantly suspenseful. Binet deserves great kudos for retrieving this fateful, half-forgotten episode, spotlighting Nazi infamy, celebrating its resisters, and delivering the whole with panache.” —Kirkus ★ Review
Edgar Rice Burroughs

The Warlord of Mars
Book Three in the Barsoom Series

The Warlord of Mars completes the story begun in A Princess of Mars and continued in The Gods of Mars, finally bringing together John Carter and his beloved Dejah Thoris, Princess of Helium.

For six long Martian months, John Carter has haunted the terrifying Temple of the Sun. Inside the walls of this mysterious revolving tower is his beloved wife, Dejah Thoris, the beautiful princess of Barsoom. Worse yet, his wife is trapped there with the lovely but wicked Phaidor, who has sworn to make John Carter her own—even if it means murder. How can Carter gain access to the Temple, whose doors swing open only once a year? And when he does find his way inside, will he find Dejah Thoris’s welcoming embrace—or her corpse?

MARKETING

• New recording by 2011 Publishers Weekly Listen-Up Award Winner Scott Brick

• Disney remade book one of the Barsoom series into a major motion picture, John Carter, starring Taylor Kitsch

• Tantor Classics include PDF eBooks, each of which contains the full text of the book

• First published in 1919

Edgar Rice Burroughs (1875–1950), started to write for pulp fiction magazines at the age of thirty-five. In 1912, his first true success came with the publication of Dejah Thoris, Princess of Mars in All-Story Magazine. Later that same year, he wrote his best-known book, Tarzan of the Apes. Other popular stories from Burroughs’s pen include the Carson of Venus books, the Pellucidar tales, and The Land That Time Forgot, a total of some sixty-eight titles.

Scott Brick has recorded over five hundred audiobooks, has won over forty Audible Earphones Awards, and has twice received Audie Awards for his work on the Dune series. He has been proclaimed a Golden Voice by Audible magazine as well as Publishers Weekly’s 2007 Narrator of the Year.

Chloe Neill
Biting Cold
Book Six in the Chicagoland Vampires Series

In book six of the Chicagoland Vampires series, twenty-eight-year old vampire Merit is on the hunt, tailing a rogue supernatural intent on stealing an ancient artifact that could unleash catastrophic evil on the world. But, as she soon discovers, she is also the prey: an enemy of Chicagoland is hunting her, and he’ll stop at nothing to get his hands on the artifact.

Turned into a vampire against her will, twenty-eight-year-old Merit found her way into the dark circle of Chicago’s vampire underground, where she learned there was more to supernaturals than met the eye—and more supernaturals than the public ever imagined. And not all the secrets she learned were for sharing—among humans or inhumans.

Now Merit is on the hunt, charging across the stark American Midwest, tailing a rogue supernatural intent on stealing an ancient artifact that could unleash catastrophic evil on the world. But Merit is also the prey. An enemy of Chicagoland is hunting her, and he’ll stop at nothing to get the book for himself. No mercy allowed.

No rules apply. No lives spared. The race is on.

Laura Wright

Eternal Beast
Book Four in the Mark of the Vampire Series

In the fourth book in Laura Wright’s Mark of the Vampire series, Gray is the only man who can make Dillon surrender to a passion strong enough to overpower her inner beast. But Dillon is determined to never belong to anyone, especially not to Gray—the man who destiny claims is her mate.

Ever since his abduction by the Eternal Order of Vampires, Gray Donohue has finally found his true calling: vengeance. He will stop at nothing to bring his fellow Impure vampires the freedom they deserve. Now if he could just release his primal need for the beautiful vampire who saved his life—and rules his thoughts and desires . . .

After nearly killing the senator she was assigned to protect, Dillon is now in mortal danger. The jaguar within her has been unleashed, and she can no longer control it. Sex is the only thing that can tame her shift. And Gray is the only man who can make her surrender to a passion strong enough to overpower her inner beast. But she doesn’t want to surrender—she wants her life back. Because she is determined never to belong to anyone, especially not Gray—the man who destiny claims is her mate.

Julie Ann Walker

Hell on Wheels
Book One in the Black Knights, Inc. Series

Nate Weller is a crackerjack sniper and masterful covert operative, and he’s loved Ali Morgan nearly half his life. But she’s his best friend’s baby sister, so he keeps his feelings to himself. When she blows into town with a motherlode of bad guys on her tail, all of his protective instincts kick into high gear.

Black Knights Inc.—Behind the facade of their tricked-out motorcycle shop is an elite special ops team assigned the jobs too hot for anyone else to handle.

Ex-Marine Nate “Ghost” Weller is an expert at keeping his cool—and his distance—which makes him one hell of a sniper. It’s also how he keeps his feelings for Ali Morgan in check. Sweet, sexy Ali has always revved his engine, but she’s his best friend’s baby sister . . . and totally off limits.

Ali’s never seen anything sexier than Nate Weller straddling his custom Harley—or the flash of danger in his eyes when she tells him she’s in trouble. First, something happened to her brother, and now she’s become the target of a nasty international organization. With Nate, her life is in the most capable hands possible—but her heart is another story altogether.

Maya Banks
Sweet Surrender
Book One in the Sweet Series

In the first book of New York Times and USA Today bestselling author Maya Banks’s Sweet series, Dallas cop Gray Montgomery finds a link between his partner’s killer and Faith, a beautiful stranger. Contains mature themes.

Dallas cop Gray Montgomery is on a mission: find the guy who killed his partner and bring him to justice. So far, he’s found a link between the killer and Faith—and if Gray has to get close to her to catch the killer, so be it.

Faith is sweet and feminine, everything Gray wants and desires in a woman, but he suspects she’s playing games. No way would she allow a man to call the shots in their relationship. Or would she?

Faith sees in Gray the strong, dominant man she needs, but he seems determined to keep her at a distance. So she takes matters into her own hands to prove to him it’s no game she’s playing. She’s willing to surrender to the right man. Gray would like to be that man. But catching his partner’s killer has to be his first priority—until Faith is threatened and Gray realizes he will do anything to protect her . . .

Sweet Persuasion

Book Two in the Sweet Series

In book two of the Sweet series by New York Times and USA Today bestselling author Maya Banks, Serena seeks out Damon Roche, the owner of an exclusive sex club, to fulfill her deepest desires. Contains mature themes.

For five years, Serena has run Fantasy Incorporated and has devoted her time to fulfilling her clients’ fantasies. Never her own. Until now . . .

Her most secret desire is to give ownership of her body to a man. Someone who will command her, pleasure her, and have complete authority over her. So she seeks out Damon Roche, owner of an exclusive sex club and a man strong enough to make her do anything he wants. Anything.

Together they’ll journey into a world she’s only dreamed of. She’s given the opportunity to immerse herself in a different life while her normal one waits for her to return whenever she wishes. Damon has no desire to let her go, however. Serena is the woman he’s long searched for, and it’s up to him to convince her to stay when the game is all over with.

He wants their fantasy to become their reality and for Serena to remain his pampered, cherished submissive.

Roberto Ampuero

The Neruda Case

A Novel

From an internationally bestselling literary luminary, an atmospheric, brilliant novel about a wonderfully roguish detective navigating the rough terrain of ’70s-era Chile, Cuba, and East Berlin.

Roberto Ampuero’s novels starring the wonderfully roguish Cayetano Brulé are an international sensation. In The Neruda Case, listeners are introduced to Cayetano as he takes on his first case as a private eye. Set against the fraught political world of pre-Pinochet Chile, Castro’s Cuba, and perilous behind-the-Wall East Berlin, this mystery spans countries, cultures, and political ideas, and features one of literature’s most beloved figures—Pablo Neruda.

Cayetano meets the poet at a party in Chile in the 1970s. The dying Neruda recruits Cayetano to help him solve the last great mystery of his life. As Cayetano fumbles around his first case, finding it hard to embrace the new inspector identity foisted upon him, he begins to learn more about Neruda’s hidden agenda. Neruda sends him on a whirlwind expedition around the world, ending back in Chile, where Pinochet’s coup plays out against the final revelations of their journey.

Evocative, romantic, and full of intrigue, Ampuero’s novel is both a glimpse into the life of Pablo Neruda as death approaches and a political thriller that unfolds during the fiercely convulsive end of an era.

Pleasures of a Tempted Lady

Book Three in the Donovan Series

In this riveting story of seduction and intrigue, when Captain William Langley finds Meg Donovan, his long-lost love, and a young boy, Jake, adrift on the Irish sea, he vows to protect them both, as a cold-blooded pirate threatens their safety.

Captain William Langley knows the ocean well, but nothing could prepare him for what he discovers adrift on the cold Irish Sea. The tiny boat carries two passengers: a child—and Meg Donovan, Will's long-lost love. Meg's disappearance at sea eight years ago was a devastating blow. Now she's back, as beautiful as ever, and with secrets as deep as Will's own . . .

After years held captive by a cold-blooded pirate, Meg has finally escaped with little Jake, the boy she's come to love as if he were her own. But the pirate wants his revenge—and Meg must do whatever it takes to shield Jake from the madman. Determined not to lose Meg again, Will vows to protect them both, yet Meg can't risk putting the only man she's ever loved in danger. With the threat to her safety growing, and her passion for Will burning brighter every day, surrendering herself to Will might be a pleasure too tempting to resist . . .

Ecstasy
Book One in the Shadowdwellers Series

At one with the darkness, the mysterious Shadowdwellers must live as far from light-loving humans as possible in order to survive. Yet one damaged human woman will tempt the man behind the Shadowdwellers throne into a dangerous desire . . .

Among the Shadowdwellers, Trace holds power that some are willing to kill for. Without a stranger's aid, one rival would surely have succeeded, but Trace's brush with death is less surprising to him than his reaction to the beautiful, fragile human who heals him. By rights, Trace should hardly even register Ashla's existence within the realm of Shadowscape, but instead he is drawn to everything about her—her innocence, her courage, and her lush, sensual heat.

After a terrifying car crash, Ashla Townsend wakes up to find that the bustling New York she knew is now eerie and desolate. Just when she's convinced she's alone, Ashla is confronted by a dark warrior who draws her deeper into a world she never knew existed. The bond between Ashla and Trace is a mystery to both, but searching for answers will mean confronting long-hidden secrets, and uncovering a threat that could destroy everything Trace holds precious.

Hunting Julian
Book One in the Gatherers Series

As a guardian for his colony, Julian Sawyer travels to Earth to bring back the Chosen: women who possess energy potent enough to help revitalize his people. The stunning, silver-clad beauty who strides into his club one night radiates a sensual magnetism unlike any he’s encountered, and Julian realizes that Asia Callahan is not just Chosen, she is his kindra: his one true mate. For months, Asia has tracked the beautiful and mysterious Julian across the country, convinced that he’s behind the disappearance of her sister and a dozen other women. She’s prepared to believe he’s a ruthless killer, but when she presents herself as bait, she discovers that the truth is far more shocking. Taken to a strange, hazardous realm she never knew existed, Asia will face the ultimate choice—between abandoning the life she’s always known and forsaking a passion as dangerous as it is powerful.

One Night Rodeo

Book Four in the Blacktop Cowboys Series

After a wild, tequila-fueled night, barrel racer Celia Lawson wakes up to find that she’s gotten herself hitched—to the one man she never should have married. She quickly insists on an annulment, but her new husband, bull rider Kyle Gilchrist, has other plans. Contains mature themes.

Barrel racer Celia Lawson knows better than to tangle with bull rider Kyle Gilchrist. The sexy cowboy’s love ‘em and leave ‘em ways have earned him a reputation on the rodeo circuit, and he’s always seen her as his best friend’s kid sister. But one wild tequila-fueled night later, and Celia wakes up to find out she’s gotten herself hitched—to the one man she never should have married!

When Celia insists on an annulment, Kyle has no good reason to say no—except he isn’t ready to let go of his new bride. Especially not after their incredible wedding night. But then Kyle inherits a sprawling Wyoming ranch, and seizes the opportunity to enlist Celia’s help. She agrees to lend a hand—on two conditions. He’s got six months to get up to speed as a rancher, then they’ll get a divorce. And their marriage will be in name only.

Kyle gives in to Celia’s demand, ready to prove to her he has what it takes to turn their one night rodeo into a lifetime of love.

Lorelei James is the author of several romance novels, including the Rough Riders series, the Wild West Boys series, and the Wild Ride stories.

Author residence: Rapid City, SD

Scarlet Chase is a much sought-after narrator, having narrated over three hundred books in every genre. She is the winner of AudioFile Earphone Awards and Publishers Weekly Listen-Up Awards, and she has been nominated for the prestigious Audie Award. Scarlet has garnered high praise most especially for her “lush, sonorous, and intimate” performances of sexy supernatural thrillers and chilling mysteries.
Elizabeth Bard

Lunch in Paris
A Love Story, with Recipes

From journalist and author Elizabeth Bard, a memoir about falling in love, redefining success, and discovering what it truly means to be at home.

In Paris for a weekend visit, Elizabeth Bard sat down to lunch with a handsome Frenchman—and never went home again.

Was it love at first sight? Or was it the way her knife slid effortlessly through her pavé au poivre, the steak's pink juices puddling into the buttery pepper sauce? Lunch in Paris is a memoir about a young American woman caught up in two passionate love affairs—one with her new beau, Gwendal, the other with French cuisine. Packing her bags for a new life in the world's most romantic city, Elizabeth is plunged into a world of bustling open-air markets, hipster bistrots, and size 2 femmes fatales. She learns to gut her first fish (with a little help from Jane Austen), soothes pangs of homesickness (with the rise of a chocolate soufflé), and develops a crush on her local butcher (who bears a striking resemblance to Matt Dillon). Elizabeth finds that the deeper she immerses herself in the world of French cuisine, the more Paris itself begins to translate. French culture, she discovers, is not unlike a well-ripened cheese: there may be a crusty exterior, until you cut through to the melting, piquant heart.

Peppered with mouth-watering recipes for summer ratatouille, swordfish tartare, and molten chocolate cakes, Lunch in Paris is a story of falling in love, redefining success, and discovering what it truly means to be at home. In the delicious tradition of memoirs like A Year in Provence and Under the Tuscan Sun, this book is the perfect treat for anyone who has dreamed that lunch in Paris could change their life.

PRAISE FOR LUNCH IN PARIS

“She pleasantly details her joys and obstacles . . . provides poignant revelations about cultural differences. . . . A cozy, touching story.” — Kirkus

“[A] delicious story about falling in love—over food—in France.” — Harper’s Bazaar
Janet Chapman

Spellbound Falls

Book One in the Spellbound Falls Series

New York Times bestselling author Janet Chapman takes us to charming Spellbound Falls, where strange things have started happening ever since Maximilian Oceanus came to town...

Maximilian Oceanus arrives in Spellbound Falls just in time to save Olivia Baldwin from an overly aggressive suitor, only to find himself attracted to the beautiful, if rather aloof, widow. And although Mac has come to Inglenook to get a handle on fatherhood, his newly discovered six-year-old son has set his sights on finding his father a wife.

Olivia, however, is busy getting Inglenook ready for its new season, so she doesn’t have time to deal with her growing attraction to the dangerously seductive Mac. Besides, weird stuff seems to happen all around him. Take the fact that her seat belt keeps getting stuck in his presence, or locks magically open for him without keys, and that he seems to have a talent for sensing things. Never mind the three lost albatrosses walking down the road in the middle of the night. Since when are there albatrosses in Maine?

But despite Olivia’s resistance to falling under the sexy man’s spell, Olivia is having trouble fighting her longing. Because she knows Mac is just the man to unlock the powerful passion deep within her...

Janet Chapman

Charmed by His Love
Book Two in the Spellbound Falls Series

New York Times bestselling author Janet Chapman takes listeners back to the magical town of Spellbound Falls, where Duncan MacKeage is about to uncover great love with hidden dangers.

All Duncan MacKeage wants is to keep his crew building roads and bridges up the mountain to the fancy resort overlooking Spellbound Falls’ new inland sea. He doesn’t want anything to do with his own family magic or with the beautiful widow, Peg Thompson, and her tribe of little heathens. But when Duncan is tasked with keeping an eye on the widow Thompson, trouble starts.

Because of a family curse, Peg fears that giving in to her desires will mean killing off another lover. But Duncan—the strong, handsome man buying her gravel—is unbelievably tempting and determined to take care of her. Torn between her head and her heart, will Peg find the strength to break free of her black-widow curse? Or will pursuing their attraction put these lovers in harm’s way?

Mariah Stewart

Coming Home
Book One in the Chesapeake Diaries Series

Vanessa learns to move beyond her dark past and embrace a new love, in the first book in an all-new series from bestselling author Mariah Stewart.

In the wake of his wife’s murder, agent Grady Shields turned his back on the FBI—and everything else—to retreat into the vast solitude of Montana, grieve for his lost love, and forget the world. But after years in seclusion, his sister’s wedding draws him to St. Dennis, a peaceful town on the Chesapeake Bay. Though he swears he isn’t interested in finding love again, Grady can’t ignore the mutual sparks that fly when he meets Vanessa Keaton.

Although her past was marked by bad choices, Vanessa has found that coming to St. Dennis is the best decision she’s ever made. Bling, her trendy boutique, is a success with tourists as well as with the townspeople. She’s made friends, has a home she loves, and has established a life for herself far from the nightmare she left behind. The last thing she’s looking for is romance, but the hot new man in town is hard to resist.

And when Vanessa’s past catches up with her, Grady finds that he’s unwilling to let her become a victim again. As they fight her demons together, Grady and Vanessa discover that life still holds some surprises and that love doesn’t always have to hurt.

Home Again

Book Two in the Chesapeake Diaries Series

In book two of Mariah Stewart’s Chesapeake Diaries series, a scandal persuades actress Dallas MacGregor to seek refuge in St. Dennis, Maryland, where she reunites with her high school summer love.

Dallas MacGregor is living the Hollywood dream. At thirtysomething, she’s an award-winning actress beloved by the public and bound for even bigger success. But when her soon-to-be-ex-husband, producer Emilio Baird, is caught in a sex scandal, Dallas’s charmed life turns tabloid nightmare. Determined to shield her young son, Cody, from the ugly uproar, Dallas seeks refuge in sleepy St. Dennis, Maryland—the Chesapeake Bay town where her happiest childhood days were spent.

Reunited with her boisterous great-aunt, Dallas wants nothing more than to leave her Hollywood days behind. And when she crosses paths with local veterinarian Grant Wyler, her high school summer love, she finds he’s everything she remembers, and more. But Dallas’s promising new life takes a troubling turn when the unimaginable happens and she finds herself living a mother’s worst nightmare—and Emilio storms into St. Dennis to save the day, along with his damaged career. Trapped in the unwanted glare of the limelight once again, Dallas discovers that it’s coolheaded Grant who is willing to risk everything to protect her and her son, and to secure the future they were always meant to share.

Donna Grant
Midnight’s Master
Book One in the Dark Warriors Series

Defenders against evil and bound by the gods, the Dark Warriors are taking their battle from ancient Scotland to the modern world—where a woman’s love can set them free.

Gwynn Austin has no idea why her father has disappeared on a mysterious trip to Scotland. When she goes on a desperate mission to search for him, she finds more than she bargains for in a ruggedly handsome, wickedly exciting Highlander who exudes danger and mystery. And when she discovers her own link to Scotland, she’ll have to trust her heart to help lead her . . .

Propelled through time by powerful Druid Magic, Logan Hamilton uses his immortality and powers of the god inside him to help prevent the awakening of an ancient evil in the modern world. He never expects to find help in the form of a beautiful, alluring, and all too tempting woman whose passion and strength matches his own. Together, Logan and Gwynn must fight for their love—before a demon from the past destroys them both . . .
