DEMON MISTRESS

Book Six in the Sisters of the Moon Series

The *D'Artigo Sisters*—half-human, half-Faerie operatives for the *Otherworld Intelligence Agency*—are charged with rooting out the secret society responsible for unleashing chaos magic against the city, and with stopping a demon from devouring Delilah's soul.

We're the D'Artigo Sisters: Half-human, half-Faerie, we're savvy—and sexy—operatives for the Otherworld Intelligence Agency. But our mixed-blood heritage short-circuits our talents at all the wrong times. My sister Camille is a wicked-good witch whose magic is as unpredictable as the weather. My sister Delilah transforms into a tabby cat at the worst possible times. And me? I'm Menolly, acrobat-extraordinaire-turned-vampire. And if the nerds from hell don't get their act together, I'm going to turn their toga party into a bloodbath...

Life's getting stranger by the minute. First, Iris and I unearth a diary from one of the bartenders at the *Wayfarer* who disappeared under mysterious circumstances. And when I discover a ghoul in the woods near our home, we know there has to be a necromancer nearby—another sign that something's wrong. But the blood really hits the fang when we discover a secret society bent on winning *Shadow Wing's* favor. Now it's up to us to stop the chaos they've unleashed on the city, and to prevent the demon they summoned from devouring Delilah's soul.
