## Rachel Caine Bite Club

Book Ten in the Morganville Vampires Series

A new extreme sport threatens both the vampire and human populations of Morganville in this tenth entry in Rachel Caine's bestselling Morganville Vampires series.

After discovering that vampires populate her town, college student Claire Danvers knows that the undead just want to live their lives. But someone else wants them to get ready to rumble.

There's a new extreme sport getting picked up on the Internet: bare-knuckle fights pitting captured vampires against each other—or humans. Tracking the remote signal leads Claire—accompanied by her friends and frenemies—to discover that what started as an online brawl will soon threaten everyone in Morganville.
