## Moon Sworn

Book Nine in the Riley Jenson Guardian Series

In the ninth volume in Keri Arthur's *New York Times* bestselling Riley Jenson Guardian series, Riley reluctantly investigates when the ritualistically slain bodies of ex-cons begin to surface. But something even worse is waiting in the wings.

*Some nights never end.*

*Some desires never die...*

Shape-shifting werewolf and vampire Riley Jenson is through with death—causing it, solving it, surviving it. Her soul mate, Kye Murphy, is dead at Riley's own hands. Not even the seductive embrace of her vampire lover, Quinn, can fully ease her mind, for she has begun questioning everything that makes her Riley—including her job at the Directorate.

Now, the ritualistically slain bodies of ex-cons have started turning up. Reluctantly, Riley takes the case, but something even worse is waiting in the wings. A vicious enemy from her past is determined to strip Riley of everything that gives her life any meaning: her lover, her brother, and even her own identity. Can Riley survive this ultimate assault? All she knows is, she must fight one last time to find answers before everything goes dark forever.
