Believe

A Horseman's Journey

From Buck Brannaman, bestselling author of *The Faraway Horses*, *Believe: A Horseman's Journey* continues to chronicle Buck's efforts as a catalyst and mentor through the stories of thirteen people with whom he has worked.

In his bestselling *The Faraway Horses*, Buck Brannaman, extraordinary trainer and acknowledged inspiration for *The Horse Whisperer*, described how he found his calling and honed his art and craft. Following the book's widespread acclaim, the universal application of Brannaman's approach to interpersonal relationships has struck a responsive chord in the equestrian community and with the public at large.

Believe continues to chronicle Buck's efforts as catalyst and mentor as we meet thirteen people with whom he has worked. Through their words and through Brannaman's perceptive introductions to each essay, we experience firsthand the hope and confidence that he has instilled in them and their horses.

You will discover through these stories how many untapped dreams and abilities you, too, possess, and how you can bring them to fruition. So journey with Buck Brannaman, learn from him, and profit from the voyage.
