Donna Grant

**Midnight's Captive**

Book Six in the Dark Warriors Series

In the sixth novel in Donna Grant's Dark Warriors series, Charon Bruce must fight the deadliest foe he's ever known in order to protect the woman he loves. Contains mature themes.

Laura Black knows her boss is a man of many secrets—haunted by some unknowable force, driven by some unspeakable destiny—and yet it makes her crave the devilishly handsome, roguishly charming Charon all the more. When she uncovers a betrayal that will send her into a world of magic, she turns to the only one she trusts: Charon. Even when she's in jeopardy of losing her heart . . .

Charon Bruce endures a relentless yearning to have Laura for his own, an ache he knows will never be fulfilled. After the town he has protected for centuries is targeted by a ruthless Druid, he has no choice but to reveal his secret to Laura. He must fight the deadliest foe he's ever known if he's to keep her safe. But when Laura is captured by his nemesis, he must choose between winning the battle of good versus evil—or losing the woman he loves.
